

Wing's Restaurant relocated to Manchester city centre from Cheadle Hulme in 2004. Since opening in Lincoln Square, the family ran restaurant has welcomed guests to enjoy its contemporary Cantonese food and exceptional service.

After 20 years, the restaurant has now progressed onto its next stage. Welcome to Wing's Lincoln Square.

Named after the location it has taken root in over the past 2 decades, Wing's Lincoln Square will continue to provide an intimate dining experience in the bustling city of Manchester.

Tradition and heritage continues to be the heart of our menu and our specially tailored wine list. Our curated dishes and sauces are made from original recipes along with our in-house freshly handmade dim sum and pancakes.

We hope you enjoy the culmination of our experience and cultural milieu that has brought us to our new chapter.
